- Cover Material: Premium Real Leather
- High Foamed Rubber Structure
- Foam Backing Layer
- 'Branded' Logo on ball
- Original Leather Texture Surface
- Patented 12 Panel Giugiaro design
- Orange / Ivory

Product Features

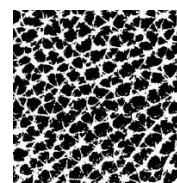

1. Less slippery

New surface texture helps give ideal grip in contact with sweat or moisture.

The Original Leather Texture Surface area in contact with the hand is wider by 95% compared to that of conventional pebble surfaces for better grip.

Conventional Pebble Surface
Average texture top area @ 2.74mm²

Original Leather Texture Surface
Average texture top area @ 5.33mm²

2. Improved grip performance

Foam concentration increased by 35% and EVA foam backing layer has been newly applied, making the ball softer and easier to control

3. Authentic leather texture

BG5000 takes full advantage of the natural leather properties to ensure better texture. All lettering design on the BG5000 is branded into the ball to offer an authentic look to the natural leather basketball.

The BG5000 leather basketball can be used when brand new in both practice and games
