

PowerGlide®

The Book of Cues

It takes time to grow a reputation

The PowerGlide range is the most exciting yet, with major improvements across the whole range.

Introducing:-

- New exotic woods
- Better materials
- Improved specifications
- The latest construction technologies
- Stunning new cue and case designs

We are proud to welcome you to the PowerGlide collection.

PowerGlide cues are available in Prestige, Heritage, Professional, Tournament and Classic ranges. Some of the descriptions of a cue may not fit within the overall range description, where this occurs, the description of the cue in the information text will highlight any deviation from the overall range description.

PowerGlide Snooker

RANGE FEATURES

PowerGlide® Prestige & Heritage Ranges

The cues in these ranges feature:-

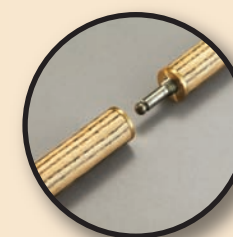

- A combination of traditional, iconic PowerGlide designs and new designs with selected exotic veneers
- Black Ebony butts
- Hand-spliced joints and veneers
- Shafts made from a single piece of the finest straight-grain Ash
- Superb strength and rigidity
- Consistent weight
- Exceptional Balance
- Ultimate power and feel at the tip
- Matched grain quick-release joints
- Prestige cues are all ¾ joint with a 6" mini extension
- Heritage cues are available as 50/50 and ¾ split options - the ¾ split cues also include a 6" mini extension
- Quality soft cue sleeve included with all models

Matching straight grains with clear feathering helps players line up their shots

Perfect grain alignment on either side of the joint

Quick Release Joint
The PowerGlide quick release joint is a precision engineered brass faced joint with a taper fit stainless steel bayonet that smoothly locates the 2 parts of the cue together. A minimal amount of turn then locks the joint into a perfect positive closure.

PowerGlide® Professional Range

The cues in this range feature:-

- A mix of exotic and natural veneers
- A selection of Ebony and Rosewood butts
- Hand-spliced joints and veneers
- Shafts made from a single piece of selected straight-grain Ash
- Matched grains at the joint
- The range includes 50/50 and ¾ split options and a new 1-piece model
- All ¾ split cues include a 6" mini extension
- Quality soft cue sleeve included with all models

PowerGlide® Tournament Range

The Cues in this range feature:-

- The latest technology and manufacturing techniques
- These are combined with traditional cue making skills
- Selected enhanced grain Ash shafts
- Machine spliced joints
- Attractive hand-finished veneers
- Quality Rosewood butts
- The range includes 50/50 and ¾ split options and a new 1-piece model

PowerGlide® Classic Range

The cues in this range feature:-

- Eye-catching designs and striking cosmetics
- PowerGlide quality and attention to detail
- A selection of Ash, Hardwood and Composite shafts
- 50/50 split and 1-piece options (including shorter cues for club/recreational use)

One Piece, Two Piece or Three Quarter

A selected range of PowerGlide cues are available in one piece, two piece or three quarter split.

One piece cues give best feel on the shot, two piece cues are split into two equal halves for ease of carrying. The three quarter split moves the joint towards the butt out of the players line of sight.

Prestige

The new Prestige range feature black Ebony butts, selected exotic veneers, hand-spliced joints and veneers, single piece shafts made from the finest straight-grain Ash and matched grain quick-release joints. All Prestige cues come with a soft cue sleeve and 6" mini extension.

Heritage

The Heritage range re-creates some of the most iconic PowerGlide models from yesteryear. All models are available in either a 50/50 or ¾ split and feature black Ebony butts, selected veneers, hand-spliced joints and veneers, shafts made from a single piece of the finest straight-grain Ash and matched grain quick-release joints. All Heritage cues include a soft cue sleeve and cues with ¾ joints also include a 6" mini extension.
